## Estates

The passing of a loved one is already a difficult period. No one needs to carry the extra strain that comes from dealing with claims against the deceased estate. With two decades of experience in Estate Litigation, you will find Simon Chadwick kind, responsive yet precise. He will guide you to a point of clarity provided by the law and negotiate with claimants on your behalf.

Deceased estates are fought for a variety of reasons, usually by family, invariably when the will is perceived to be unfair. Sometimes there is doubt as to whether the deceased was of sound mind when the will was made. These are but a few reasons clients come to Chadwick Lawyers for advice.
